Workforce.
With care.

Vayasya Seva

Contract labour and industrial services in SIDCUL and across Haridwar, Uttarakhand.

We supply and manage the people that factories, warehouses and facilities in SIDCUL and across Haridwar need to keep running.

Vayasya Seva sources, onboards and manages contract workers for production, warehousing and the everyday work of a site. The work extends into data entry operators, housekeeping, grounds, civil works, fabrication and maintenance.

Our site teams and office coordinate worker documentation, attendance and statutory records alongside the daily work, so the people on your floor and the paperwork behind them are handled by one company.

Our experience includes work with

Unilever

Industries

Manufacturing

On the plant's shift pattern.

Helpers, packers, line feeders, technicians and maintenance crews for production plants, plus fabrication and civil upkeep.

Warehousing and logistics

Single or multi-shift, with headcount that scales with throughput.

Loading, unloading, picking, stacking and dispatch crews for hubs and distribution centres, including night and holiday arrivals where needed.

FMCG and consumer goods

Seasonal and demand-driven, with ramp-up for peaks.

Packaging, labelling, sorting and distribution crews for high-throughput lines.

Institutional facilities

Fixed schedules and stable teams.

Housekeeping, pantry, grounds and facility staff for offices, campuses and institutional buildings.

Hospitality-linked operations

Split shifts and round-the-clock cover.

Back-of-house, pantry, housekeeping and guest-area staff, with guest-facing and back-of-house roles kept separate.

Eleven lines of work, and the roles we supply in each.
